

U.S.S.N.: 10/063,156

6

81045816/202-1312 (FGT 1588 PA)

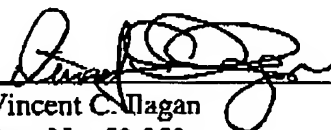

REMARKS

In the Action, claims 1-15 were rejected under the judicially created doctrine of obviousness-type double patenting over claims 1-20 of U.S. Patent No. 6,665,234. Thus, in accordance with Section 804.02 of the Manual of Patent Examining Procedure [See also 37 C.F.R. § 1.321], a Terminal Disclaimer PTO/SB/26 is filed herewith along with the applicable fee to overcome the rejection.

Also, by this Amendment, claims 14 and 15 have been amended to correct mere informalities of the preambles therein.

In view of the foregoing, all of the claims remaining in the case, namely claims 1-15, are in proper form and patentably distinguish from the prior art. Accordingly, allowance of the claims and passage of the application to issuance are respectfully solicited.

Respectfully submitted,
ARTZ & ARTZ, P.C.
